Summary of reasons for decision:

The computer moving image file promotes and supports the exploitation of young persons for sexual purposes and is deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993. It explicitly depicts a young teenage couple involved in sexual activity. The intended purpose is the sexual arousal of adults with a prurient interest in young persons. It is also a record of the sexual exploitation. The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and reflects the concern of a free and democratic society to protect its young and vulnerable members from sexual exploitation.
